

The Mary Ann Paradise IAGC Convention Scholarship

Eligibility & Selection Procedures

This scholarship was established by the Illinois Association for Gifted Children to provide financial support for educators to enhance their understanding of gifted education by participating in the annual IAGC state convention, which Mary Ann Paradise established and co-chaired for many years.

Two scholarships will be awarded each year. The scholarships provide a complimentary one-day registration to the IAGC Annual Convention.

Any interested parent, teacher, or other school staff member who works with gifted children is eligible to apply.

Award winners will be selected based on their stated goals for attendance and demonstrated need for financial support to attend.

To apply, complete and submit the application form by November 15:
