COPYRIGHT / PHOTO RELEASE
(approved 11/98; 8/10)

SECTION 1 RATIONALE: To protect the contents of publications from unauthorized use, certain materials shall be copyrighted. Any copyrighted materials will state Copyright IAGC (year). All rights reserved.

SECTION 2 CONDITIONS: IAGC shall have the sole legal right to restrict unauthorized distribution of reprints of the copyrighted work. It shall have the sole legal right to use excerpts of the work, and to reprint these excerpts for distribution.

SECTION 3 EXCEPTIONS: The author of such materials has the right to retain all or certain reprint rights. Such is the responsibility of the author by filing Application Form TX and the required fee to the Registration of Copyrights, U.S. Copyright Office, Library of Congress, Washington, DC 20559. Regardless of whether or not the author maintains the copyright, IAGC retains the right to produce and sell reprints or excerpts of the article.

SECTION 4 PHOTOS: IAGC shall obtain an individual's written consent for any photos taken to be used for publication.

SECTION 5 COPYRIGHT AND PHOTO RELEASE FORMS: Copyright release forms for published materials and photos shall be available in the office.
